

NUTCRACKER REHEARSAL SCHEDULE

MONDAY 11/28 - SATURDAY 12/3

All 4A and up dancers should follow the schedules that were emailed to them on November 13th from now until the end of the Nutcracker!

We will also post them on the website on the same page you found this schedule each week. Remember there are two formats, a word doc with all the rehearsal details and a spreadsheet with all the classes and rehearsals on them. It is best to look at them both so you do not miss anything. Not sure if you have your regular class? Check the spreadsheet because if you do not have rehearsal, you probably have your class!

I have also posted all checklists for your quick reference.

We have still listed rehearsal times for our youngest dancers below.
