

Reach New Albany's Best Audience

New Albany Ballet Company's

Spring Recital

2023

On May 19–21, the 850+ students of the New Albany Ballet Company will perform our Spring Recital during eight shows at the Jeanne B. McCoy Center. These performances have sold out for the last 23 years!

How does your business gain the exposure to our wonderful audience?

The parents, grandparents, teachers, and friends of the performers will read and reread our performance playbills several times. Your advertisement could be part of a keepsake for each of our dancers. You will benefit from exposure to our wonderful demographic. Over 85% of our dancers are from the New Albany area. The school also pulls from Westerville, Bexley, Gahanna, Worthington, Dublin, Powell, Granville, and Reynoldsburg.

The New Albany Ballet Company is looking forward to a wonderful summer. We are expanding our programs to meet the demands of the growing community.
