

Progressive Division
Class Make-Up Policies

All progressive students can attend make-up classes if they miss one of their classes. As a rule of thumb, if you miss more than one class a month, you should make it up.

Progressive students should make up all classes in the level below them in most circumstances.

See below for the best make up options for each ballet level. For tap, jazz, modern and hip hop, please go to the level below. Look at the Season Schedule & Studio Assignments doc to see times, days and locations. (also on website)

You do not need to let us know ahead of time that you are attending a make up. Just let the teacher know at the beginning of the class and they will make a note of it in our roll books.
