Important Note for this show: *NA Founders Day is also this day and they will be closing down streets and parking lot access to the McCoy at 10:40am for a parade. The parade will be over by the time our show ends, so you do not have to worry about it at the end of the show.*

If the police on duty stop and talk to you on your way in, just let them know you have an 11am event at the McCoy. Make sure you and all audience members are parked by then! We suggest shooting for 10:30am! Dancers do not get dropped off until 15 minutes before the show but take advantage of some beautiful photo op locations why you wait!
