UNDERSTANDING YOUR PARTICIPATION FEES

The production cost of the NACBT Nutcracker is not covered by ticket sales alone. In order to maintain the high quality production that our families and community have grown to expect, NACBT must supplement our income through sponsorships, fundraisers & student participation fees.

Registration fees cover your dancer's costuming needs as well as audition costs for older dancers. Rehearsal fees support the costs NACBT incurs for rehearsals, including, but not limited to, payment of NACBT faculty, studio usage and guest artist fees.

Families may pay their dancer's participation fees in full upon registration or in three installments detailed in the table on the opposite page.

NACBT FATHER-DAUGHTER BALL

Once again, our main fundraising event will be the Father-Daughter Ball on November 13th. This beloved tradition will be wildly popular and sell out quickly!
