Clara & Clara's Friends
Please refer to the costume items needed list sent earlier.
A note on hair: Before you roll the hair pull the sides back into a ponytail. Roll the pony tail separate from the rest of the hair. After you unroll the hair you need to spray the sides that were pulled back with hair spray so no wispies are sticking out.
Party girls also need false eyelashes. Please purchase a few pairs early and practice! Heavy stage make-up will be required.

Fritz & Fritz's Friends
Please refer to the costume items needed list sent earlier.
Party Boys will wear wigs.(except actual boys) They will also need a wig cap to wear under the wig. Party Boys should also wear heavy stage makeup. False eyelashes are not needed.

Candy Canes
Please refer to the costume items needed list sent earlier.
Hair should be slicked back in a high bun with bow bobby pinned on top of the bun.
Send plenty of bobby pins with your dancer.
Note on hair- If your dancer needs to go from curls to a candy cane bun, our cast coordinator will handle it. You will pick them up after every show so you can work on getting their hair back to curly if you have a back-to-back show. I don't think this happens to too many of you!
Do not put their red cheeks on their face. We will do that at the theatre because we need them all to match.

Lead Dragons

They need two double loops in their hair like the Dragonettes, white tights (solid not sheer), black ballet shoes, they have bows for their hair so please send bobby pins, same performance makeup they wear for other parts.

During rehearsals and performances I (Ellen) need the Lead Dragons to come up and sit with the Dragonettes so I do not have to panic looking for them.

During performances, I need you to come up at intermission fully ready and sit with the Dragonettes so you can help us line them up as we head to the stage. I know some of you will have a change from Act I to Act II, but please come up at intermission regardless even if you have to finish getting ready upstairs with the Dragonettes. I will be there and can help you.

We will do those at the theatre because we need them to all look the same.
