This is when we start the rehearsal with music. Parents can go watch in the theatre. After the Dragonettes come off stage, please return to the Big Brown Room to take them out of their costume and hang it back up for the next cast. You can leave after this or take your Dragonette back to the theatre to watch the rest of the rehearsal. You do not have to stay and rehearse again with the Red cast.

Please note that dress rehearsal will be your only time to get candid pictures of your dancers in costume. Take advantage of that! On performance day, you will not see them in costume except on stage!

Dragonette Checklist

What they need:

Parents will drop off their dancers at the door and will not go in to the Big Brown Room. The room mom will put them into the costume right before they go on stage. Please arrive with makeup already done (normal stage make up). We will be doing each dancer's eyes to give them a more "Chinese" look so you do not have to do that. When you pick up your dancer at the end of the performance please double check you don't have any of the costume parts. The room mom will change them out of the costume so please pack a change of clothes. PLEASE don't accidentally take the black ballet shoes home!!

Dress Rehearsal Day

No costumes will be permitted to leave the dressing rooms (unless they are going to the stage) at any time. Once the dancer has rehearsed he/she may change clothes and watch from the theatre. No costumes/ costume parts should ever leave the assigned dressing rooms. Please leave everything as you found it!!! Also please quickly meet your child in the dressing room once they have rehearsed on stage. We need them to change out of costume quickly so the other cast can get ready. You will then need to take your child out / no child will be permitted to hang out back stage.

Dress Rehearsal Time and Day (All dress rehearsals are held at the McCoy Center) Please arrive in plenty of time to dress your dancer. Costumes will be in the assigned dressing rooms. We start dress rehearsal with Spacing. This is the process where we bring the dancers on the stage and show them exactly where they need to be on the stage. This all gets done BEFORE we run the Act. They will go back to the dressing room after spacing and wait until they go back on stage to actually rehearse it with music. Dancers need to already be in full costume with hair and makeup done BEFORE spacing.

Performance Days

All Dancers: Please arrive in a nude, light pink or white camisole leotard with hair and makeup done. Dancers need to have a zip up warm up jacket and sweat pants on to keep them warm back stage. (NOTHING that goes over their heads). Parents will drop off their dancers at the door and will not go in to the Big Brown Room. The room mom will put them into the costume right before they go on stage. They will not be getting into their costumes until right before they go on. The room moms will be getting them ready. The room moms will also be taking their costumes off prior to pick up. No dancer will be permitted to leave the brown room with a costume on even for photos. Please take all of your photos during the dress rehearsal weekend. Please pack them things to do similar to recital. They may also have snacks (no nuts) and a water bottle.
